Nessy - Fundamental reading and spelling in a game. \$

Read novels, picture books, audiobooks, instructions for board games, street signs...

Writing

No Red Ink - Grammar and writing instruction and practice. Free

Write a letter/email to friends, relatives, seniors; journal, voice memo, make videos to document this time; learn cursive writing, hieroglyphics, secret codes...

Have Fun!

TedEd - Fun videos and discussion on many topics. Free

Mystery Science - video lessons and hands on activities. Just make sure you have the materials at home. Free

Create art, build forts, do STEM challenges, explore outside, play board games, dance...

We suggest no more than 1-3 hrs of academics per day, depending on the child's age. Exercise, play, and downtime are all equally important.
